

Grain Elevator and Processing Society North Central Regional Conference

June 27-29, 2011
Ames, Iowa

Golf Registration Form

Golf Tournament

The GEAPS North Central Regional Conference will be hosting, in conjunction with the conference itself, a golf tournament on Monday, June 27, 2011 at Coldwater Golf Links in Ames, Iowa. The address of the golf course is:

Coldwater Golf Links
615 South 16th Street
Ames, IA 50010
515/233-4664

Please feel free to visit www.coldwatergolf.com for a virtual tour of this Scottish Links inspired course. The host chapters are hoping for a good turnout for this fun event. The golf tournament will be a four-man best ball event with a shotgun start. The course will be full when we reach 144 golfers. The cost for the golf outing will be \$90 per person and includes 18 holes of golf, cart, a box lunch, and two drink tickets per person. Registration will start at 11:00 a.m. and the shotgun start/tee time will be 12:30 p.m.

Payment is required in advance in order to give the golf course an accurate head count.

Please respond no later than June 21, 2011 for the golf event. If you have someone to golf with, please provide all names. You can sign up a full team or individually, and we will put you with other golfers.

We encourage companies to donate any prizes that they can. Please provide information about donations below, so we can recognize your company at our welcome reception, to be held at the Gateway Hotel. The reception will be held after the golf outing at 6:30 p.m. We plan on having hole prizes and place winners. As usual, non-GEAPS members are welcome to attend the golf outing and conference.

Thank you.
