## Grain Elevator and Processing Society North Central Regional Conference

June 27-29, 2011

Ames, Iowa

Registration is now open for the 2011 North Central Regional Conference of the Grain Elevator and Processing Society.

Please join us at the Scheman Center on the Iowa State University campus in Ames, Iowa, June 27-29, 2011 for this education-filled event.

The conference is being sponsored by the Greater Iowa, North Iowa, Mid-America, Minneapolis, Siouxland and Greater Nebraska chapters of GEAPS, and will feature a variety of educational sessions, a trade show and a golf outing.

We are expecting more than 500 attendees and more than 100 trade show exhibitors.

Featured topics and speakers for the educational sessions include:

- *Fall Protection Systems and Rescue* - Wayne Donnelly, New Heights Industries
- *Environmental Responsibilities and Permit Requirements* - Tom Mowrer, West Central
- *Project Issues You Should Know* - Jerry Wille, Curry-Wille Associates
- *OSHA Standards on Confined Space and Bin Entry* - Tom Harmon, Gavilon

There will be several additional sessions in the final program that will help you take your business to the next level. In addition, the trade show will offer conference attendees an excellent chance to network. We'll even have a little socializing as part of the conference with the golf outing on June 27 at Coldwater Golf Links.

We look forward to seeing you in Ames in June!
